9 DETECTIVE RHEAULT: I see. Okay. And regarding your

1 **CONFIDENTIAL**

1 OFFICER GRIFFIN: No.

2 DETECTIVE RHEAULT: Have you viewed any other video
3 such as news reports or social media content regarding this
4 incident?

5 OFFICER GRIFFIN: No.

6 DETECTIVE RHEAULT: All right. What was your start of

8 OFFICER GRIFFIN: 1500 on yesterday's date.

9 DETECTIVE RHEAULT: Thank you for the clarification.

10 So, that would have been the 31st of January?

11 OFFICER GRIFFIN: Correct.

12 DETECTIVE RHEAULT: All right. And what time did you
13 wake up on the 31st?

14 OFFICER GRIFFIN: 8:00 a.m.

15 DETECTIVE RHEAULT: Okay. So, and how many hours of
16 sleep did you get on that -- that night?

17 OFFICER GRIFFIN: Approximately five hours.

18 DETECTIVE RHEAULT: Five hours. So, you got -- five
19 hours sleep and -- and now at 1430 hours you've been up for
20 an additional 30 hours after that, is that correct?

21 OFFICER GRIFFIN: Yes.

22 DETECTIVE RHEAULT: And do you believe you're able to
23 conduct this abbreviated interview with us here now?

24 OFFICER GRIFFIN: Yes.

25 DETECTIVE RHEAULT: I see. Okay. So, Officer Griffin,

CONFIDENTIAL

5

~~CONFIDENTIAL~~

1 what I'd like to get from you is first please let us know
2 where you were positioned just prior to firing your weapon
3 and what caused you to fire the weapon? I would like in --
4 in narrative form from you what you heard from any source
5 and what you saw and what that caused you to -- to perceive
6 prior to firing your weapon?

7 OFFICER GRIFFIN: Okay.

8 ATTORNEY DAVID WINSLOW: And understanding it's

9 abbreviated so don't stress out if you don't get all the
10 details. We can do that tomorrow.

11 OFFICER GRIFFIN: Okay.

12 ATTORNEY DAVID WINSLOW: Okay.

13 OFFICER GRIFFIN: So, yeah. So, the -- the abbreviated
14 statement, my positioning would be on the one-four corner of
15 the property on the -- the right side of the driveway just
16 at the -- the entrance to the driveway kind of on the
17 sidewalk so outside the property on the -- on the city
18 public. And I was on the right side of the police vehicle
19 that was parked in the driveway.

20 DETECTIVE RHEAULT: Okay. And what - what -
21 continue. What alerted you to the potential presence of the
22 suspect and what did -- what did you hear and see and the --
23 the suspect doing?

24 OFFICER GRIFFIN: Okay. So, the initial radio call was
25 an ADW suspect there now armed with a knife which was the --

~~CONFIDENTIAL~~

6

~~CONFIDENTIAL~~

1 the initial alertness of, you know, the suspect, you know,
2 being a danger. But prior to the actual incident that we
3 hear radio broadcast on -- on the -- the tactical frequency
4 from officers in the rear of the location stating that he
5 had -- he was pacing back and forth in the back and that he
6 had also exited the rear holding a knife.

7 ~~MURKIN TO COLA~~
8 They -- they stated that he then went back to the
9 rear door, opened it and then was then seen with two knives
10 to me, I believe, was less lethal munitions being fired off
11 of what I think is the -- the two side of the residence and
12 simultaneous broadcast of he's -- he's going to the front --
13 to the front of the house.

14 So, at that point, you know, trying to pay
15 attention to -- to where -- which direction they mean, if
16 he's going through the house or the side I -- I looked to
17 the left side of the house which would be the -- the one-two
18 corner. There's a -- a black gate and I see that crash open
19 and I see the suspect kind of like, you know, like crash
20 through that gate and I turned to the -- the front part of
21 the driveway.

22 I briefly lose contact or eyesight with the suspect
23 and then I regain visual as he's moving towards my direction
24 in between the house and the parked cars. I hear the -- the
25 officer next to me which was armed with the beanbag shotgun

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

1 firing beanbag rounds.

2 And then as he makes his way completely into view
3 from the other side of that car, I see that he's running at
4 a full sprint towards my direction and then my partner
5 officer which was armed with the less lethal beanbag. I
6 immediately look to, you know, what he's carrying and what
7 he's doing and I see a large metallic object. I don't
8 recall exactly what hand it was in because he was kind of --
9 he had his arms kind of like tucked into his torso.

10 And he was leaned forward almost like, you know,
11 almost like a linebacker running towards, you know, someone
12 that's going to try and stop him. And to me, it looked like
13 the -- the knife was pointed in my direction and then my
14 partner officers' direction. At this point, you know, when
15 I see that, you know, realize what he has in his hand and
16 his full speed run towards me and then the officer, I was
17 very concerned because I think he was about approximately, I
18 would say, 15 feet at a full speed -- speed.

19 And I was really concerned that he was going to get
20 to me and my officer or my -- my partner and quickly be able
21 to launch that knife into either him or me and either
22 seriously hurt us or, you know, he could have stabbed us in
23 the -- in the chest with, you know, or the throat and -- and
24 -- and kill either me or him.

25 And I was really scared that he was going to do

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

1 that to either one of us because we were both right in the
2 -- in the direction where he was running. So, at that
3 point, you know, fearing for -- for my life and then also
4 for -- for my partner's life I -- that's when I fired my
5 weapon at the -- at the suspect.

6 DETECTIVE RHEAULT: I see. How -- how many rounds did
7 you fire, do you believe?

8 ~~MURKIN V. COLA~~
OFFICER GRIFFIN: I think four rounds.

9 DETECTIVE RHEAULT: Okay. Now you -- you mentioned
10 that the suspect was at one point you gave a specific
11 distance 15 feet. Can you tell me what -- when you
12 described the distance of 15 feet what that distance
13 represented? What -- what you're observing at -- at that
14 point? At that 15-foot mark, what -- what are you seeing or
15 what were you bringing to my attention here in the
16 interview?

17 OFFICER GRIFFIN: Okay. When he was at 15 feet, he was
18 leaned forward holding the knife which was pointed towards
19 me and he was at a full sprint. You know, he was still kind
20 of looking up but he was at a full sprint running towards me
21 and -- and my partner.

22 ATTORNEY DAVID WINSLOW: Is that -- is that right after
23 you had lost sight of him momentarily and then he came
24 around the corner?

25 OFFICER GRIFFIN: He came. Yeah. And then he came

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

1 around the corner so I couldn't see what he had in his hands
2 until he completely appeared from that car and he was within
3 a, you know that -- that close proximity.

4 DETECTIVE RHEAULT: Okay. And I'll just set some
5 landmarks so we know. You talked about the one-four corner.
6 If I'm looking I'm in the driveway --

7 OFFICER GRIFFIN: Uh-huh.

8 DETECTIVE RHEAULT: -- and I'm looking towards the
9 house. On a compass what direction are you calling that?

10 OFFICER GRIFFIN: I'm going to call that north for --
11 for the --

12 DETECTIVE RHEAULT: North. Okay. For -- for the
13 interview sake it -- it might not be true now but -- but for
14 interview sake we'll continue to call that the front of the
15 house from the driveway looking between the front of the
16 house we're looking northbound.

17 OFFICER GRIFFIN: Correct.

18 DETECTIVE RHEAULT: Okay. So, the one-four corner and
19 -- and correct me if I'm wrong, is that the southwest corner
20 of the house?

21 OFFICER GRIFFIN: Yeah. That would be the southwest
22 corner of -- of the house itself. Yes.

23 DETECTIVE RHEAULT: Okay. And that's where the gate
24 you said he crashed through?

25 OFFICER GRIFFIN: Yes.

~~CONFIDENTIAL~~

10

~~CONFIDENTIAL~~

1 DETECTIVE RHEAULT: Okay. Now you mentioned a couple
2 and I don't know if it was a couple. But you mentioned a
3 vehicle that losing -- I don't know if you said this but you
4 mentioned a vehicle. In relation to the gate and where you
5 were in the driveway where is that vehicle or vehicles?

6 OFFICER GRIFFIN: It's between where I was standing and
7 where that gate was. There was one vehicle and I think I
8 believe there might have been another vehicle behind it.

9 DETECTIVE RHEAULT: Okay. Do you know is it -- is it
10 parked sideways, east, west or is it parked north south or
11 do you know?

12 OFFICER GRIFFIN: East -- east west.

13 DETECTIVE RHEAULT: East west. Okay. And all right.

14 When did you first -- now you said he had a large metallic
15 object and then you later said it's a knife. When did you
16 first see the -- the object that is a knife -- that you
17 called a knife?

18 OFFICER GRIFFIN: Okay. When he ran eastbound on the
19 north side of that car between the car and the house --

20 DETECTIVE RHEAULT: Uh-huh.

21 OFFICER GRIFFIN: -- and fully exposed his torso is --
22 is when once he was about to the -- to the bumper of that
23 vehicle is when I was able to then see what, you know, that
24 he had an -- the object, the knife in his hand.

25 DETECTIVE RHEAULT: Okay. And was that the front or

~~CONFIDENTIAL~~

CONFIDENTIAL

1 rear bumper of that vehicle?

2 OFFICER GRIFFIN: I don't recall.

3 DETECTIVE RHEAULT: Okay. But a -- a -- was it the
4 bumper closest to you or further west?

5 OFFICER GRIFFIN: The closest one to me.

6 DETECTIVE RHEAULT: I see. Okay. And then you

7 indicated the suspect began running towards you and your
8 partner.

9 OFFICER GRIFFIN: Yes.

10 DETECTIVE RHEAULT: And what direction would that be?

11 OFFICER GRIFFIN: East -- southeast.

12 DETECTIVE RHEAULT: Okay. Did -- did his course change
13 or did he veer or and it -- it doesn't have to be any of
14 these but I'm trying to determine was it an arc? Did he
15 make a hard turn and turn towards you or?

16 OFFICER GRIFFIN: I don't recall how sharp the turn was
17 but he went from running, we'll call it east to -- to
18 southeast towards the corner of the property where we were.

19 DETECTIVE RHEAULT: Okay. And the 15 foot -- when you
20 -- when you saw him at that rear bumper --

21 OFFICER GRIFFIN: Uh-huh.

22 DETECTIVE RHEAULT: -- and -- and saw that he was armed
23 what distance is that approximately? And -- and -- and
24 again, I'm just trying to determine, is it the same distance
25 you're giving us the 15 foot or was it different?

CONFIDENTIAL

12

~~CONFIDENTIAL~~

1 OFFICER GRIFFIN: The same. The same. About 15 feet,
2 I think.

3 DETECTIVE RHEAULT: Okay. And was that the distance
4 you were referencing from you to the -- the bumper area?

5 OFFICER GRIFFIN: Yeah.

6 DETECTIVE RHEAULT: Okay. How were you holding your
7 weapon immediately prior to firing?

8 OFFICER GRIFFIN: Immediately prior to firing I raised
9 my weapon to the -- to the high ready and on target.

10 DETECTIVE RHEAULT: Okay. And is your weapon equipped
11 with a light?

12 OFFICER GRIFFIN: It is.

13 DETECTIVE RHEAULT: Okay. Was that light activated?

14 OFFICER GRIFFIN: It was activated.

15 DETECTIVE RHEAULT: Okay. And -- and where was the
16 light pointed?

17 OFFICER GRIFFIN: At -- at the suspect.

18 DETECTIVE RHEAULT: Okay. And did that in any way was
19 that a factor in -- in this incident?

20 OFFICER GRIFFIN: Yeah. It illuminated him so I could
21 see the -- the whole front part of his body.

22 DETECTIVE RHEAULT: I see.

23 OFFICER GRIFFIN: Including his hands.

24 DETECTIVE RHEAULT: I see. Okay. And when did you --
25 approximately, how close was the suspect? And again, this

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

1 is approximations when you fired your first shot?

2 OFFICER GRIFFIN: Under -- just under 15 feet.

3 DETECTIVE RHEAULT: Okay. And --

4 OFFICER GRIFFIN: It might have been even closer to 10
5 feet.

6 DETECTIVE RHEAULT: To -- okay. I see. And did -- was

7 ~~MURKIN~~ there any reaction by the suspect after you fired?

8 OFFICER GRIFFIN: He continued moving towards us in --

9 in the same -- same direction.

10 DETECTIVE RHEAULT: Okay. How -- how about is the
11 manner in which he was traveling or was paced. Did that
12 change at all?

13 OFFICER GRIFFIN: That I -- not that I noticed after
14 that shot. No.

15 DETECTIVE RHEAULT: Okay. And correct me if I'm wrong,
16 you last indicated he was running in your direction after
17 having ~~SUBJECT TO~~ cleared that -- that bumper?

18 OFFICER GRIFFIN: Uh-huh.

19 DETECTIVE RHEAULT: Okay. From the gate to the bumper
20 how fast was he traveling approximately? I'm sorry, would
21 you -- was it a walk, was it a?

22 OFFICER GRIFFIN: A -- a run or -- or sprint even.

23 DETECTIVE RHEAULT: Okay. Was it different than the
24 speed he was running towards you at once he cleared the
25 bumper?

~~CONFIDENTIAL~~

14

~~CONFIDENTIAL~~

1 OFFICER GRIFFIN: Do you mean from --

2 DETECTIVE RHEAULT: So, the speed at which he traveled
3 from the gate to the bumper was that a different speed than
4 from the bumper to -- to you when you fired? Did it -- was
5 his pace different?

6 ATTORNEY DAVID WINSLOW: If -- if you know.

7 OFFICER GRIFFIN: I don't -- I don't know exact. I
8 couldn't tell.

9 DETECTIVE RHEAULT: Okay. All right. What was your

10 target area, your aiming point for the -- the first shot?

11 OFFICER GRIFFIN: For -- for his torso.

12 DETECTIVE RHEAULT: Okay. And the purpose of aiming at
13 his -- his torso?

14 OFFICER GRIFFIN: To try and stop him from, you know,
15 continue to run towards us with a knife and -- and hurt or
16 kill me or my partner.

17 DETECTIVE RHEAULT: Okay. When you fired that shot did
18 -- was he possessing the item that you previously described

19 (Unintelligible)?

20 OFFICER GRIFFIN: I believe so, yes.

21 DETECTIVE RHEAULT: Okay. All right. And then prior
22 to your second shot you indicated or please tell me again,
23 what he was doing prior to your second shot?

24 OFFICER GRIFFIN: Still moving towards our -- our
25 direction.

~~CONFIDENTIAL~~

15

~~CONFIDENTIAL~~

1 DETECTIVE RHEAULT: Okay.

2 OFFICER GRIFFIN: Towards us.

3 DETECTIVE RHEAULT: All right. Had -- had he -- okay.

4 And did you see the item at that time?

5 OFFICER GRIFFIN: Yes.

6 DETECTIVE RHEAULT: Okay. And then your third shot

7 what what are you seeing before the third shot?

8 OFFICER GRIFFIN: Still moving towards our direction

9 but he was kind of leaning down a little bit more but still

10 looked running towards us. CV22-03188 DMG (SKx)

11 DETECTIVE RHEAULT: Okay. And for tape purposes, when
12 you said leaning down you -- you -- at -- at your waist you
13 bent forward at a more -- more parallel to the ground.

14 OFFICER GRIFFIN: Uh-huh.

15 DETECTIVE RHEAULT: Okay. I see. And in the position
16 of his hands had that changed?

17 OFFICER GRIFFIN: No. They were still kind of tucked
18 tight -- tucked tight to his torso like almost his like
19 stomach and chest area.

20 DETECTIVE RHEAULT: Okay. And for tape purposes you
21 have both your arms roughly bent at 45-degree angles and
22 maybe slightly less than that, 40-degree angles with your
23 fist close to your center line, is that correct?

24 OFFICER GRIFFIN: Yes. Yes.

25 DETECTIVE RHEAULT: Okay. All right. And then your --

~~CONFIDENTIAL~~

16

~~CONFIDENTIAL~~

1 your fourth shot, what are you seeing prior to that fourth
2 shot?

3 OFFICER GRIFFIN: The -- the same. He's still kind of
4 leaned down but still moving at a -- at a, you know, towards
5 us. You know still -- still towards us.

6 DETECTIVE RHEAULT: Okay. Now how -- do you have a
7 distance approximation before you fired that fourth shot how
8 close he was to you?

9 OFFICER GRIFFIN: It's going to be within five feet.

10 DETECTIVE RHEAULT: Five feet. And so you -- you --
11 you -- okay. Your initial distance you -- you provided when
12 -- when you fired and this last distance when you fired you
13 estimated it to be five feet. So, he covered all that space
14 as you're firing?

15 OFFICER GRIFFIN: Correct.

16 DETECTIVE RHEAULT: Okay. Did you -- did your position
17 change? Did you fire from a fixed position or did you move
18 in any way while you're firing?

19 OFFICER GRIFFIN: No. I was backing down the driveway
20 away from the house.

21 DETECTIVE RHEAULT: Okay. Is that as you're firing?

22 OFFICER GRIFFIN: Yes.

23 DETECTIVE RHEAULT: Okay. And -- and what was the
24 purpose of that?

25 OFFICER GRIFFIN: Trying to give a little bit more

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

1 distance between me and him to try and, you know, at a --
2 because I know we were firing beanbag rounds at him and --
3 and I was hoping, you know, a little bit more time and
4 distance. Something might stop him and -- and, you know,
5 prevent him from getting to us and, you know, having to
6 continue to -- to use deadly force.

7 DETECTIVE RHEAULT: I see. Okay. Did -- and why did
8 you stop firing after your fourth round?

9 OFFICER GRIFFIN: After my fourth round I -- I thought
10 I saw him go into the ground and I didn't think he was going
11 to be able to continue to -- to like move towards us and I
12 -- I -- at that point, I didn't think he was going to be
13 able to stab my partner or I. So, at that point, I -- I
14 didn't fire any more rounds.

15 DETECTIVE RHEAULT: Okay. He -- was the suspect
16 ultimately taken into custody?

17 OFFICER GRIFFIN: Yes.

18 DETECTIVE RHEAULT: Okay. Were you part of the

19 handcuffing?

20 OFFICER GRIFFIN: No.

21 DETECTIVE RHEAULT: Okay. The item you observed in his
22 hand when you -- you fired your fourth shot and I might have
23 asked this and I apologize, did you see him possessing that
24 item?

25 OFFICER GRIFFIN: For the -- for the fourth shot?

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

1 DETECTIVE RHEAULT: Uh-huh.

2 OFFICER GRIFFIN: I don't recall exactly because he was
3 leaning forward and from my position, I think he was -- I
4 couldn't see exactly where the knife was at that point.

5 DETECTIVE RHEAULT: Uh-huh.

6 OFFICER GRIFFIN: So, no.

7 ~~MURKIN~~ ~~V. GOMA~~
8 DETECTIVE RHEAULT: Okay. And when you say you
9 couldn't see where the knife was and why -- why was that
again?

10 OFFICER GRIFFIN: Because he was leaned forward and --
11 and preventing my view, you know, with his upper body from
12 where his hands were.

13 DETECTIVE RHEAULT: I see. Had his hands position
14 change from when you fired your third shot? I know his body
15 is now leaning further forward and blocking your view but
16 had his hand position changed from the third to the fourth
17 shot?

~~SUBJECT TO~~

18 OFFICER GRIFFIN: Not that I recall.

19 DETECTIVE RHEAULT: I see. Okay. Do you know what
20 happened to the item you saw in -- in his hand? Do you
21 know?

22 OFFICER GRIFFIN: No.

23 DETECTIVE RHEAULT: Okay. After the OIS after the --
24 you fired your weapon, did you have any part of the crime
25 scene and locating evidence or anything like that?

~~CONFIDENTIAL~~

19

1 **CONFIDENTIAL**
2 OFFICER GRIFFIN: No.

3 DETECTIVE RHEAULT: Okay. Well, what happened
4 immediately after?

5 OFFICER GRIFFIN: After he was taken into custody the
6 paramedics responded. They put him onto the gurney --

7 DETECTIVE RHEAULT: Uh-huh.

8 **MURKIN, V. COLA**
9 OFFICER GRIFFIN: -- and -- and had him move the area.
10 I, you know, quickly --

11 **CV2 2-03188 DMG (SKx)**
12 DETECTIVE RHEAULT: Sorry. And that was a very
13 open-ended question.

14 OFFICER GRIFFIN: Uh-huh.

15 DETECTIVE RHEAULT: Let me ask you, were you approached
16 by a supervisor or identified as having been involved in a
17 officer-involved shooting?

18 OFFICER GRIFFIN: Yes. After I -- yes.

19 **SUBJECT TO**
